Dear Parents/Guardians, Board Members and ICDA Staff:

The 2011 Nevada State Legislature enacted a number of measures related to education, District and ICDA operations that may be of interest to you. A very brief summary of these measures is provided on the ICDA website to make you aware of the changes to Nevada Revised Statutes, including the dates they take effect. A more thorough description of these bills can be found on both the Washoe County School District and the Nevada State Legislature websites. The web address of the Nevada Department of Education is also included below.
